

“Our name reflects our philosophy:
to combine the **art** of kitchen design
with the traditions of fine **craftsmanship**,
thereby producing distinctive cabinetry
of exceptional quality.”

*Daniel Trabucco Senior
Founder of Artcraft Kitchens*

k i t c h e n s®

Founded by Dan Trabucco Sr. in 1961, Artcraft can trace its roots to the entrepreneurial spirit of Joseph Trabucco, Dan's father. Joseph came to Canada from Venice Italy, settling in Niagara Falls in 1925. He brought with him a passion for woodworking and fine Italian design that continues in the company to this day.

Since 1961, Artcraft Kitchens has created premium-quality enduring cabinetry. Represented by a network of the finest independently owned kitchen showrooms in North America, Artcraft has gained a reputation for innovative design, flexibility and service excellence.

Artcraft's Niagara Falls facility is one of the most advanced and integrated cabinet manufacturing plants in the world. Combining the latest technology with old world craftsmanship, we manufacture and finish all components in the same facility. This guarantees the highest quality and provides flexibility, without compromising lead-times.

Artcraft Kitchens offers an exceptional product range to satisfy the most discerning clientele. With our meticulous attention to detail, our cabinetry will beautify any room in your home.
